Dear Dear DeGraff~

As I write you this Christmas pastoral letter right before Thanksgiving I find myself pausing in the midst of all the hustling and bustling ahead of us to truly give thanks for each one of you. Yesterday I gave a new neighbor in De Graff a tour of our building and as I did I was again reminded that YOU ARE THE DEGRAFF CHURCH! What a blessing you are to me and especially to this community!!!

As I thought of what I wanted to write in this letter a few additional thoughts have come to my heart and mind. In the midst of a month where we make shopping lists for groceries and gifts I want to invite you to take a minute to stop and make a list of all that you are thankful for. May that list truly be longer than the list of things you need or want. And from this list may you become increasingly aware of the abundance that the Lord has blessed you with. When we can focus on the One who blesses us so richly we can better focus on what we already have! And from this abundance we can truly share with others!!! We call this having an asset based ministry mindset! One of my favorite teachings!!!!

All this brings me to this thought. Re-gifting! To some this is a terrible thing but to this theologian it is the most organic and purest sense of giving I can fathom! When we have gifts that mean the world to us, our most natural and loving instincts is to share them. A box of chocolates, a sled, a good book, etc.

As you make out your list of things you might want to give another perhaps you can save yourself a trip to the store by looking at all that you already have and consider giving some of your treasures away. Yes, it hurts a tiny bit to part with some of our treasures but that is where the beauty is, in our sacrifice.

Just a thought from this sentimental packrat. Out of all that God is and has, He gave us His only son! Share HIM with all this CHRISTmas!

Love you much!

Pastor Kym

Trustees

We are now on our fourth snow plowing service for this year and we have not used anyone yet. We do not have an easy lot to plow. We have a person (Greg Bell) lined up to plow for us but the cost will be in the \$100 range which is 50% more than last year. Therefore, for everyone's info (please pass to others who need this info) the following guidelines will be used this winter:

We will not plow for two or three inches of snow.

If we have significant drifts we will plow.

Visitors and workers at our Church will need to wear footwear accordingly.

We will clear sidewalks.

We will salt as needed.

This may come as a disappointment, but we ask that you work with us to control expenses for our Church.
