Dear Members and Friends of DeGraff U.M.C.:

Every pastor prays for their parish to be able to reach out in ways that are way beyond themselves with the love and grace of Jesus Christ...

so when the call came from the Assistant Activities Director at Logan Acres Nursing Home, telling me that she had heard about our church and inviting us to lead a Worship service there once a month, I was thrilled!!!! How could I say, "No", to this answered prayer and opportunity.

This past Sunday afternoon I worshipped at Logan Acres. I was impressed with the large gathering space they offered. The place was packed and Kim told me that attendance was actually down a little. WOW!!!

We have been invited to lead a Holy Communion Worship Service there the Second Sunday of each month 2:30-3:00 P.M. Only once a month do they offer Communion to their residents.

I am looking for dozens and dozens of ministers that will help on different months in many different ways. Because we only have thirty minutes I envision ~

One to share Opening Greeting and Call to Worship

(May be quiet or humorous)

One to lead contagious singing.

One to play an instrument (Piano, guitar, accordion, etc)

One or more to offer ministry of music with music or song (solo, duet, etc)

This would also be a great time for skits.....

One to share a five minute devotion.

Ones to help me distribute the elements.

I see this as an opportunity to share your many gifts. I would love to see the children, youth, praise team, choir, bells, drama groups, etc. from our church take a month and volunteer to serve that particular month. I already imagine there are residents that could probably help us in some of these areas and would love to be asked. I am sure the staff always appreciates help bringing residents in wheelchairs to and from their rooms and wings. Ministers to greet and visit are always an extra plus.

I have already asked Kim for nametags for each resident so that we might call each of our new friends by name. We will be wearing name tags as well.

There will be a sign-up list in our welcome center for the next few months. I am asking that each Monthly Team meet the last Sunday of each month after worship to plan for the next months second Sunday. I will be there to help.

My Mother suffered a massive stroke and was in a nursing home for 24 years. Until you have served a person Holy Communion with an eye dropper one may not be able to grasp how holy and sacred of a task this can be~
Looking forward to watching what the Lord is going to do in and through you. GO TEAM!

1st Wednesday

Wow! What a day! Lots of excitement and enthusiasm! The kids were happy to be back! As a co-worker of mine used to say - "**Another day for Jesus!**"

The "official" count for kids was **53**. That is a record number of kids, especially the first day. Some kids were not able to come because of appointments and some didn't get registered. Hopefully we will be able to have a full count next month. (We have the potential of close to 70 kids.)

The servant volunteer count was **22**. It took everyone to create this experience and nurturing atmosphere for the kids. A wonderful job by all! We are grateful for all the new servants and hope to have more next month.

The class attendance follows:

Kindergarten: 4

First and Second: 15

Third and Fourth: 24 (Help needed here!)

Fifth and Sixth: 10

The meal count was around **85 - 90**.

Transportation arrangements with the school bus worked out very well. Thanks, Transportation Team!

Next session - October 2.

Thanks again for being the hands and feet of Jesus.

Nancy K.

GREAT!
